- Deliveries of goods must be completed by no later than **14 working days** after issuing an EMC purchase order to the successful bidder.
- Deliveries must be made from Monday to Friday during working hours (08h30-15:00)
- Prior notification must be given to ensure the availability of receiving staff as specified on the purchase order. The supplier must notify the appropriate EMC contact person and the intended times of delivery.

2. COSTING AND BIDDING:

- Bidders must take care to estimate and calculate their costs and prices CORRECTLY before placing a bid.
- Erroneous low bids cannot be removed or adjusted upwards. Common errors include entering a unit price instead of a total price in the case of a batch requirement or accidentally omitting zeros (e.g. R50 instead of R5000).
- All prices must include VAT.
- Prices must remain firm for the year.

3. EVALUATION:

- EMC reserves the right to consider at its sole discretion alternative options to exact specifications outlined in the bid or otherwise stipulated that may be offered by suppliers should EMC be of the opinion that such alternative options that are being offered are economically viable and/or may be a practical solution and/or may be generally beneficial in respect of promoting and reaching EMC's goals, target dates and objectives.

4. SUPPLIER PERFORMANCE:

- Quality means product adherence to the technical specification requirements.
- Defective products must be replaced at the cost of the supplier.
- EMC reserves the right to reject any deliveries not conforming to the above, including damaged units.
- Where previously agreed delivery schedules are not met by a supplier, EMC shall have the right to appoint an alternative supplier (such as the next highest ranking bidder for this bid for example, or any other supplier able to deliver) to make good the shortfall in supply. Any extra costs incurred by EMC in obtaining such corrective services or products from another source will be for the account of the defaulting supplier. As such, any costs already incurred by the initially appointed supplier shall, at the sole discretion of EMC, be for the account of that supplier since it failed to deliver! The normal penalties provided as per the GCC (General Conditions of Contract) shall also apply.
